SUNDAY, MAY 4 - PLANNING FOR YOUR CEREMONY

Protocol for Receiving Diploma Covers on Stage

For all colleges, the Dean of the College will announce each degree one at a time. When called, candidates will rise and file to the right or left of the stage depending on where they are seated. Once on the stage, candidates will hand their information cards to an Ashford representative, who will scan their card. The student's name will be announced over the loud speakers in the arena. The candidates then proceed to Dr. Richard Pattenaupe or Dr. Lorraine Williams, University President and University Provost, respectively, to shake hands and receive their diploma cover. Undergraduates will move their tassel from the right to left side of their cap before they leave the stage. All candidates then exit the stage from the front center steps and proceed down the center aisle back to their original seat.

Please note: Diplomas will not be issued at the ceremony. Diplomas will be ordered and mailed to your address on file upon completion of all degree requirements and payment of any outstanding balance due to the University.

Appropriate Commencement Attire

Women should wear dresses, skirts, or dress slacks with appropriate tops. Men should wear collared shirts, neckties, and dress slacks. Please wear dark comfortable shoes. Ladies, black pumps are the most appropriate footwear for commencement dress, but please know that you may be standing for long periods of time. Any jackets or sweaters must be worn under the commencement gown. Mortar boards should be worn with the point above your nose and flat so that the square part is level. Master's candidates should have their tassels on the left side. Bachelor's candidates wear tassels on the right side. Candidates may not carry any personal items in the processional, including cell phones, video cameras, and other electronic devices. No security is provided for these items if left unattended. Proper decorum is expected of all participants.

Special Accommodations

Graduates requiring accommodation for a disability should contact the Office of Student Access and Wellness at campusaccess@ashford.edu a minimum of two weeks prior to the ceremony in order to ensure all requests may be met. Special seating areas will be designated for guests who are pregnant, elderly, or who have disabilities. Please have guests arrive early to ensure they are able to access the designated seating area and have them notify event staff that they are a guest needing special seating. A limited number of assistive listening devices, large print programs, and programs in Braille will be available upon request.
