Table 1: The following table represents the number of full-time degree-seekingundergraduates by gender that attended Ashford University per the IPEDS fall 2012enrollment survey.

	Number
Male full-time undergraduates	19,587
Female full-time undergraduates	49,279

Table 2: The following table represents the total number of participants by gender for each varsity team that competed in intercollegiate athletic competition as of the day of the first scheduled contest during the reporting year. This table also includes the number of participants who also participated on another varsity team and the number of other varsity teams on which they participated. Pursuant to federal regulations, participants are defined as students who, as of the day of a varsity team's first scheduled contest — (A) are listed by the institution on the varsity team's roster; (B) receive athletically related student aid; or (C) practice with the varsity team and receive coaching from one or more varsity coaches. Any student who satisfies one or more of these criteria is a participant, including a student on a team the institution designates or defines as junior varsity, freshman, or novice, or a student withheld from competition to preserve eligibility (*i.e.*, a redshirt), or for academic, medical, or other reasons. See 34 C.F.R. § 668.47(b)(3).
