

CREDIT EVALUATION GUIDE OF NCCRS CREDIT RECOMMENDATIONS FOR: *ChildCare Education Institute (CCEI)*

Ashford University recognizes the uniqueness of each student's experience and realizes that learning takes place in a variety of environments. The National College Credit Recommendation Service (NCCRS) provides a means for recommending credit for training and educational programs acquired outside of a traditional university classroom setting.

As part of an agreement with Ashford University, specific ChildCare Education Institute trainings and experience have been evaluated by NCCRS, and credit recommendations have been determined.

Students may pursue their academic and professional goals through a variety of degree programs at Ashford University.

For additional information on Ashford's degree programs, please visit:

TRANSFER PROVISIONS

Students must complete 120 credits to obtain a Bachelor's degree. A maximum of 90 combined nontraditional learning, prior learning, and transfer credits may be accepted and applied toward the 120 credit requirement. Within the 90 credit maximum, a maximum of 75 credits of nontraditional credit, including a maximum of 30 credits of prior learning, may be applied toward degree completion. Official transfer credit evaluation takes place once a student is enrolled at Ashford University, and all official transcripts have been received. Washington and Oregon residents may apply a maximum of 30 credits toward a bachelor's degree from any combination of prior learning assessment or other nontraditional learning, including national testing programs, or credit recommendation services.
