

**PLA CREDIT EVALUATION  
SUMMARY FOR:  
GOODWILL INDUSTRIES OF SAN ANTONIO**

Ashford University recognizes the uniqueness of each student's experience and realizes that learning takes place in a variety of environments. The Prior Learning Assessment (PLA) program provides a means for awarding credit to students who bring college-level learning experiences acquired outside of a traditional university classroom setting. Students may pursue their academic and professional goals through a variety of degree programs at Ashford University.

For additional information on Ashford's degree programs, please visit [success.ashford.edu/goodwillsa](https://success.ashford.edu/goodwillsa).

As part of an agreement with Ashford University, specific Goodwill Industries of San Antonio trainings have been evaluated by the PLA Department, and credit awards have been determined. Once a student meets eligibility requirements, the PLA submission fee will be waived for the Goodwill Industries of San Antonio trainings listed below.

GOODWILL INDUSTRIES OF SAN ANTONIO	
Training Title	Credit Recommendation*

## **TRANSFER PROVISIONS**

Students must complete 120 credits to obtain a Bachelor's degree. A maximum of 90 combined nontraditional learning, prior learning, and transfer credits may be accepted and applied toward the 120 credit requirement. Within the 90 credit maximum, a maximum of 75 credits of nontraditional credit, including a maximum of 30 credits of prior learning, may be applied toward degree completion. Students in Oregon and Washington may apply a maximum of 30 credits toward a bachelor's degree from any combination of prior learning assessment or other nontraditional learning, including national testing programs, or credit recommendation services. The prior learning assessment option is not available to non-degree seeking students or to students in a graduate degree program. Official transfer credit evaluation takes place once a student is enrolled at Ashford University, and all official transcripts have been received.
